

iaedp™ Foundation Certification

It is the mission of the iaedp™ Foundation to promote excellence in competency assessment for eating disorders professionals through offering a rigorous set of criteria for the evaluation of education, training, knowledge, and experience. To determine where you fit within the certification process, easy to follow checklists are available on our website at www.iaedp.com for all iaedp™ Foundation certifications for mental health professionals and dietitians.

Quality Care

iaedp™ Foundation Approved Supervisor

iaedp™ Foundation Certified professionals may be eligible to apply for the designation of iaedp™ Approved Supervisor. It is iaedp's view that those who provide supervision to our members must confirm their own extensive experience and training in this field. If you believe that you fit the criteria of iaedp™ Approved Supervisor and are interested in providing supervision for other iaedp™ members, please contact our Certification Director at iaedpcertification@gmail.com for more information.

iaedp™ Foundation History

Established in 1985, the International Association of Eating Disorders Professionals (iaedp™ Foundation) is today well recognized for its excellence in providing top-quality education and high-level training standards to an international, multidisciplinary group of various healthcare treatment providers and helping professionals who treat the full spectrum of eating disorder problems. We have become more than just an organization; we represent leadership in the field of eating disorders.

Mission

To promote a high level of professionalism among practitioners who treat those suffering from eating disorders by promoting ethical and professional standards, offering education and training in the field, certifying those who have met prescribed requirements, promoting public and professional awareness of eating disorders and assisting in prevention efforts.

The iaedp™ Foundation Institute!

Demonstrate your sincere interest in promoting quality care for those suffering from eating disorders and related issues by investing your time and resources wisely! It is our hope that you will become certified and join iaedp™ Foundation in our mission.
