

Certification Exam Guide

The iaedp™ Certification Program requires successful completion of an exam which assesses the foundational knowledge necessary to practice effectively and collaboratively in the field of eating disorders.

Certification Exam Details:

- Exam Format – proctored and virtual, 3-hour time limit.
- Exam Content - 170 randomized questions from the following four areas: Overview, Treatment, Nutrition, and Medical.
- Question Format- Multiple choice and true/false.
- Passing score - 80%
- Fee - \$100 per attempt up to three attempts.

The Core Course Reading List, found at www.iaedp.com under Certification, highlights the required textbooks for each of the four core courses and lists specific topics from which exam questions are derived. The test questions have been created by subject matter experts from each discipline involved in the treatment of eating disorders.
