iaedp Mission:

To promote a high level of professionalism among practitioners who treat those suffering with eating disorders by promoting ethical and professional standards, offering education and training in the field, certifying those who have met prescribed requirements, promoting public and professional awareness of eating disorders and assisting in prevention efforts.

ROI: iaedp™ Focuses on Results

Our newsletter reaches more than 10,000 and has an open rate of 32% (2019-2020) which is double the industry average.

The iaedp™ Foundation executes a dynamic public relations campaign to promote its annual Symposium agenda and program. Measurement is in place to evaluate press release communications during the months leading up to the Symposium, including:

Full-Page Reads: How many times Internet users viewed the press release.

Headline Impressions: How many times the headline of our press release was viewed.

Search Engine Hits: How many keywords and phrases were used to find the press release.

Media Deliveries: Each iaedp™ news release is categorized and sent directly to thousands of relevant healthcare journalists and media outlets.

Online Pick-Up: Once it has been released, the iaedp™ news release is syndicated on various websites like Yahoo! News and Topix.

Overview for iaedp™ press releases in 2020:

- All press releases realized robust and full national distribution for maximum exposure.
- Press releases achieved total impressions, ranging from 20.7 M – 63.8 M.
- Press releases realized direct media pick up, ranging from 116 total media – 532 total media.
- Press releases also were posted on iaedp™ social media, such as Facebook and Twitter.

Results of Social Media:

- Page Engagement – Promote traffic and activity on the page with specific posts on page
- Total Visitors – To the various social pages authored by iaedp™
- Develop posts that generates visitors to the website
