Connection, Outreach and Mentoring Committee (COMC)

Chair

Brooke Farrington, C.E.D.S., L.C.S.W.

Purpose

The Connection, Outreach, and Mentoring Committee (COMC) is designed to develop connections between professional members of iaedp, support and mentor incoming professionals and new members of iaedp, and work alongside our Board of Directors in exploring innovative strategies to grow iaedp and carry out our mission effectively.

The committee is seeking **participants** from across disciplines, including residents and medical students, physicians, psychotherapists, healthcare insurance executives, high school and college counselors, nutritionists, coaches, expressive arts therapists and psychiatric nurses.

Subcommittee

Mentoring Connections

The purpose of IAEDP mentorship is to provide a resource to clinicians who are new to the field of eating disorders and/or who are new to iaedp, to enhance professional connections and professional development. The mentor is not a supervisor.

Communications Committee

Chair

Jonna Fries, Psy.D

The Communications Committee strives to increase a feeling of community while sharing collective professional knowledge among iaedp members. Currently, the Communications Committee hosts a *twice-a-month conference call peer-led confidential case consultation group*, free to iaedp members. Topics include but are not limited to legal and ethical issues, countertransference, interventions, team treatment, systems, and adjunctive referrals.
